JUNIOR CLASS RECORD

In the fall of 1942 we walked up the stairs to high school! We thought!!! We were very disappointed to find that we were not in high school, only in the 8th grade or "junior high", and to add to our disappointment, we had an extra year to go to school.

We had a very large class in the 8th grade, but year by year our friends have been dropping out or joining the armed forces. Now we have only **nineteen** members in our class.

Before Christmas we made linoleum blocks and printed Christmas cards. We were proud of them but not of the many cuts and scratches we had on our fingers.

Our class won the picture for having the most parents at P. T. A. meetings.

At the beginning of the year we chose the class officers. They were:

President.....	Larry Riddle
Vice-President.....	Louise Holmes
Secretary.....	Jean Gray Tate
Treasurer.....	Alice Blackmon

When Larry left us, Louise became our President and we elected Hilda Isley as our new vice-president.

Our gradeparents for the year are Mrs. J. E. Isley and Mr. C. S. Laughlin.

Everyone in our class except two belongs to the Glee Club, and many of them are entering the "Recitation-Declamation" Contest.

We are working in every way to go to Washington, D. C. next spring. We have sold magazines, greeting cards, and stationery, and had a store in our classroom. We are giving a play at the end of school to add to our "Washington" fund.

Billy, whose father is very wealthy, is always and forever falling in and out of love. In his fickleness he has invited four different young ladies to visit his home during the holidays to get acquainted with his family. They all come, much to Billy's dismay and then begins the excitement. They threaten to bring suit against him, but as he becomes of age at twelve o'clock his father vows he will not be responsible for any damages. This spoils their game and leaves Billy free to make a new conquest in the person of Leeta Murray, his sister's chum. They are married in the end and every thing turns out all right for everyone.

SOPHOMORE CLASS

SOPHOMORE CLASS RECORD

On September 12th, eleven boys and seventeen girls enrolled in the tenth grade. We were sorry to lose Virginia Sartin during the first week, and as the year progressed we lost Clyde Sherrill and Don Webster to the Armed Forces. Then Mary Ellen Webster left us to go to Graham. We had Rena Lindsey and Norma Lee Ray to come in during the year.

Each morning, as the year went, we were all eager (or were we) to find our tables in the Science Lab and start to work on Biology taught by our home-room teacher, Miss Sharpe.

We had a hard struggle through Algebra with Mr. Barker to help us, and enjoyed "Julius Caesar" when Miss Cates told us about it.

We pride our ourselves on our selection of officers for the year. Jim Wood has held down the presidency. Bobby Swink was there when Jim was out and did very well as vice-president. We're ready to give Carson a high recommendation as our Secretary and Treasurer.

Our boys and girls seemed to have almost made up the basketball teams, with John Robert Watkins, John MacDonald, Carson Leach, Bobby Swink, and Jim Wood on the boys' team and Frances Riley, Betty Jean Cheek, Margaret Byrd, Dorothy Stout, "Deannie" Keck on the girls' team.

During the year, we presented two chapel programs and when the Glee Club was organized, all our musical minded crew fell in to singing and from reports, it sounds very pretty.

As I write this, we have no winners, but Carson, Delores, and Joh Mac are studying hard on their selections for the Declamation-Recitation Contest. Good luck to all of you!

We're all looking forward to being a big class of Juniors next year.

FRESHMAN CLASS

FRESHMEN CLASS RECORD

The freshmen class started out this year on September 6, 1945 with thirty-six on roll. Now we only have twenty-two left. Three of them have quit and one of them moved to Cherry Point.

Our class has given two plays this year. The first one was "Morning Caller", and the last one was "Captain John of the Penny Brigade."

A number of our boys and girls went out for basketball this year and some of them won a suit and some even made the first team.

Our class went to court on Monday, April 29th, as a part of our civics studies. We heard some very interesting cases but we did not get to stay until the court adjourned.

Miss Thompson and Miss Young have a Glee Club for the high school pupils. Most of the girls have taken part in it and some of the boys. The Glee Club will sing for the commencement exercises on Wednesday night, June first.

The girls have done some very interesting things in home economics. We have made dresses aprons and we are taking up cereals for breakfast and all breakfast foods. The boys have made some very interesting experiments in science.

Our grade-mothers for this year were Mrs. D.A.Allen and Mrs. Nell McCall. They gave us a party at Christmas and also some gifts for the classroom to play with on the inside in bad weather. They have planned a party for us on Tuesday night, May 28th.

We are all looking forward to the summer vacation. but we are also looking forward to some more of our good times during the next school term.

TENTH GRADE

8TH GRADE RECORD

We were a happy group of thirty-six students who entered the eighth grade in September, 1945. We organized a club and met every Friday afternoon.

We started working on a project of North Carolina in History. We built a fort, drew pictures, made ships, arrows, and other things.

At Halloween we entered two girls in a popularity contest. They were Catherine Newlin and Elvie Holmes. Catherine was selected as the most popular girl in school.

During the year we were very sorry to lose Kathleen McCullers, Juanita Andrews, and Winfred Saunders, who moved away from Haw River.

After Christmas we participated in the basketball tournament. Our boys played the ninth grade boys and won by a score of fourteen to thirteen. Our girls played the tenth grade girls and were defeated. Our boys played in the finals against the tenth grade boys, who defeated us.

During this time we were glad to welcome to our room June Carol Jobe, who returned to us from Graham and a new boy, S. J. Moore, who came from Alexander-Wilson.

We entered Janice Thompson and Barbara Ann Smith in a beauty contest at the school carnival. Barbara Ann received the most votes.

We went on two picnics during the year out at Catherine's home.

We had our first class party of the year at Fletcher Vaughn's home. Later we had another class party at the community club house, and a third at the home of Barbara Ann Smith.

At the end of the year we made scrap-books on various things of North Carolina for History.

We are now looking forward to next year and entering high school.

GIRLS BASKETBALL TEAM

The girls' basketball team did not enjoy a very successful season this year but we went into it with a determination to do the best we could.

We thank Miss Porterfield for unlimited patience in helping us to reach a higher goal. We also wish to express our appreciation to Carson Leach for helping us so much.

Pearl Lamb was high scorer with 210 points, followed up by Melba Dean Keck and Margaret Byrd. Our captain for the year was Jean Riddle, our scrappy little guard.

Scores for the years' game were:

THE HAW RIVER HIGH SCHOOL GLEE CLUB

The glee club, which was organized in the spring, is composed of members of the eighth, ninth, tenth, and eleventh grades.

Under the direction of Misses Elizabeth Thompson and Christine Young, we have enjoyed learning some new songs.

At the Commencement exercises, the Glee Club will sing two songs, "The Desert Song" and "One Alone"

THE 4H-CLUB

The Haw River 4H Club has had a successful year under the direction of Mrs. Strickland and Mr. Bason.

Our officers for this year are:

President.....	Polly Ray
Vice-President.....	Fred May
Secretary.....	Ruby Lamb

We held our meetings on the first Wednesday of each month and followed the program material provided by our directors.

Some of the best work done by the members was home-cooking, dress-making, raising chickens and gardening. Nancy Lou Flynt won the prize for the best dress in Senior review, Wilda Spoon won for the Junior review. Hilda Spoon won the biscuit contest.

The members have been greatly helped as they have tried to practice the true principles of good 4H Club members.

Every member will carry with him as he closes the school year the thought a 4H member must have a clear thinking head, keep a loyal heart, serve with his hands, have good health for service to his club, community, and country.
